All: We were just approached by the Deputy Ops Chief from FEMA regarding the issue of Vector Control (i.e., aerial mosquito spraying).... They are setting up a task force right now at the Governor's request.... They want EPA participation on the Task Force. The word right now is they would prefer to have DoD in charge of the aerial spraying and not contractors but, this might change.

I will keep you posted on this.

 The logo is circular with a blue outer ring containing the text "UNITED STATES" at the top and "ENVIRONMENTAL PROTECTION AGENCY" at the bottom, separated by two stars. Inside the ring, the text "EPA" is prominently displayed in white on a blue background. Below "EPA", the text "REGION-SIX" is written in white on a red background. At the bottom of the circle, the text "EMERGENCY RESPONSE TEAM" is written in white on a red background.	<p>Mike McAteer Federal On-Scene Coordinator U.S. EPA 1445 Ross Ave Suite 1200 (6SF-ER) Dallas, Texas 75202 (214) 354 9371 (mobile) (214) 665 7157 (office) mcateer.mike@epa.gov</p>
